About me

My name is Pedro Antunes, and I am a 25-year-old graphic designer and illustrator based in Aveiro, Portugal. I specialize in graphic design and illustration, fields for which I have a deep passion due to their inherent visual narrative, aesthetics, and functionality.

Throughout my academic journey, I had the opportunity to work on projects that allowed me to explore a wide range of areas, including visual identity, graphic design, editorial design, print design, animation, and illustration. These experiences have strengthened my skills and contributed to a comprehensive and versatile approach.
